Mr. [] stated that he had discussed with Mr. Babbitt the dissemination of NIE's and SE's to the Federal Civil Defense Administration, and that in his opinion there were certain of these studies which are essential to their operations. Mr. Reber noted that he and Dr. Andrews had under examination the problem of distribution of intelligence productions and hoped to have recommendations for DCI on this subject in the near future.

Mr. [] noted that a draft letter to the Senior Representatives, giving them items of interest from the various offices of CIA, was being prepared for the approval of the DCI. If approved, it is contemplated such letters will be sent out - probably on a monthly basis.
